# Property health check

Your first aid  
for your property decisions

A cost effective review of your main business asset by independent commercial property surveyors to enable you to make strategic business or personal decisions.

Your health check gives you a property inspection and a summary report with an evaluation of your interest in the property and an assesment to help you understand and manage your potential risks and liabilities in the future.

Your report will include, where appropriate;

- £ Freehold value\*
- TO LET Rental value\*
- Insurance value\*
- Lease liabilities review
- TAX Business rates review
- Repair review
- Market commentary & general advice

All this for  
**£495.00**  
excluding VAT

“ The property review we had undertaken by Bowyer Bryce has proved invaluable in helping us understand our assets and liabilities and has enabled us to plan a strategy for the future of our business. ”
